**Northern Territory**

The Northern Territory is the quintessential Australian experience and a geographer's dream. It is made up of six main destinations and their surrounds.

The journey from north to south begins with the tropical shores of vibrant Darwin and ends in the dramatic deserts of the Red Centre. The Northern Territory is home to World Heritage-listed Uluru-Kata Tjuta and Kakadu National Parks, which preserve and perpetuate both natural and cultural treasures. In fact, the Red Centre is home to the world's oldest river system, the Finke River, and Arnhem Land is home to the world's oldest living culture.

**Darwin**

Darwin is the tropical capital city of Australia's Northern Territory. Darwin has a relaxed outdoor lifestyle and enjoys warm weather all year round.

Perched on a peninsula with sea on three sides, Darwin is an excellent base to explore the natural attractions of World Heritage listed Kakadu National Park, Litchfield and Nitmiluk National Parks, the Tiwi Islands and Arnhem Land. Its colourful history has contributed to Darwin's cultural diversity - more than 50 nationalities make up its 100,000 population, including the area's traditional landowners, the Larrakia Aboriginal people. The cultural and culinary benefits of such a melting pot are best experienced at Darwin's weekly markets, variety of restaurants and through the annual calendar of festivals and other Darwin events.
