Across the Ural mountains to Siberia, through towns that were built along the rails into the Mongolian steppes and Gobi desert, the Transsiberian journey offers a great opportunity to experience an unforgettable journey. First station is Moscow, where you will enjoy the life in a city imposing and majestic to capitalism before boarding the Transsiberian train and passing by the Ural. Your journey will bring you to Irkutsk, the capital of Siberia, where you will spend time on the shores of the world's largest and cleanest lake. Then you will continue to Ulan Bator, where you will experience the Nomadic life and sleep in a Yurt, and finally the train will take you to Beijing, the capital of the Chinese empire, where your journey ends.
