

THE WORLD OUR PASSION !

For over 30 years, Exotik Tours has been designing custom packages to some of the world's most alluring and unusual destinations. We've been pioneers, travelling to some destinations that are only now starting to emerge, such as Tunisia, Morocco, and more. What's more, Exotik Tours was one of the very first tour operators to take Canadians to Russia and into Asia. When you travel with us, you will experience a tour that has been completely refined over the years, leaving you with the very best product we can offer.

We are proud to present you with our new **2009-2010 World Book**, which features carefully selected packages throughout North Africa, Eastern Europe, the Middle East, Russia, Europe, Asia, South America, Central and Southern Africa. These are only samples of all we have available, and of course we can create something completely unique for you!

Our experts are here to work with your travel agent to put together the package that will best suit your needs. Whether you like to travel independently or as part of a small group of like-minded travellers, to enjoy some soft adventure or learn about ancient civilizations, we will create the trip that caters to you. We offer a multitude of choices that can fit any budget too, from maximum independence to the ultimate in indulgence, as we understand that not everyone has the same needs or desires.

Part of the one of the world's largest travel groups, Exotik Tours benefits from great financial strength and clout, however we remain a "designer brand" offering hand-made, custom vacations. We are, after all, just as passionate about travel as you are, it is our specialty! We want your dream vacation to be the trip of a lifetime, so we invite you to come and experience the "World of Exotik Tours".
