From ancient temples, to the Knights of St John, to today's modern metropolis Rhodes has much to offer. On the southeast coast of the "Isle of Roses" and above the charming town of Lindos rises an ancient acropolis dedicated to the goddess Athena. Below lies the bay of St.Paul, where the apostle landed during his voyages. The largest of the Dodecanese islands, Rhodes has become an important regional centre thanks to its location, climate and natural attractions. On one side of the island is the harbour of Mandraki Harbour, which offers a lively atmosphere full of sidewalk cafes. The Mammoth gates and fortified walls are found on the other side of the island which border the medieval town of Rhodes. Enjoy! (B Daily)

Day 8-14 Fly Rhodes / Crete

Flight from Rhodes to Crete. Crete marks the frontier between Europe and Africa. Its majestic slopes are dotted with old stone villages, castles, chapels, olive trees and orange groves. Near the capital of Heraklion is the 5,000 year old Palace of Knossos, legendary Labyrinth of the Minotaur, with its images of King Minos and the Minoan civilization. Spend your days enjoying the shop windows of bustling Heraklion where one can find precious jewellery, artistic silverware and the latest fashions to entice the visitor.
