Farmstay Holidays

This is a unique opportunity to experience New Zealand's true country life by staying with a local family in their home and enjoying their warmth and hospitality. These families are genuinely interested in sharing their homes and lives with you, making for a truly wonderful vacation. You are set up in a guestroom within their home, and become part of the family for the duration of your stay. If you select a farmstay, you will be on a working sheep, cattle or dairy farm and get to see and experience first-hand what life here is like. If you select a country stay, you will be staying on a lifestyle (hobby) farm that is generally situated in a rural environment.
