## UNIQUE TAHITIAN EXPERIENCES

### Overwater Bungalows

Spend AT LEAST one night in the world's most perfect hotel room! Sleep above the turquoise lagoon waters in your thatched-roof hideaway with all the amenities and service of a first class hotel room.

### Tahitian Wedding Ceremony

A traditional Tahitian wedding is a meaningful yet legally non-binding ceremony for couples wishing to wed or renew their vows. Couples are bedecked in bright pareus, flowers, and shells. The groom is brought to the beachside location in a canoe while the bride's is carried on a rattan throne. Music and dancers enhance the ceremony while a Tahitian priest performs the rites and gives the couple their Tahitian names.

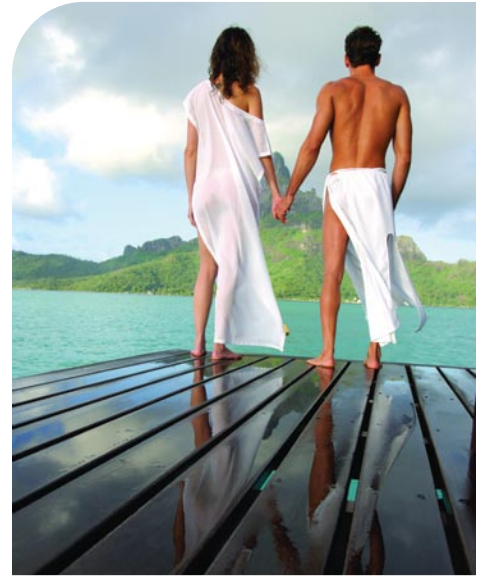

### Tahitian Cultured Pearls

The world-renowned iridescent luster of Mother Nature's most perfect gem can only be created in Tahiti's warm lagoon waters. Complete your Tahitian Experience and visit one of the many pearl shops and bring back with you a piece of Paradise.

### Polynesian Spas Designed by Mother Nature

All the natural ingredients for the world's perfect spa are here on Tahiti & Her Islands: soothing lagoon waters; air scented of vanilla and flowers; tranquility of the quiet islands, and the scenic wonders that surround each spa. Some call it a "spa within a spa" experience, one found nowhere else on earth. Tahiti & Her Islands has quickly become one of the world's leading spa destinations. Most spas are open-air and located in garden areas facing the blue lagoons.

### ROMANCE

The center of the universe for romance. There is no better place to celebrate your new life together or to celebrate a milestone in your relationship. Boomerang Tours would like to help you celebrate those very special occasions by offering you valuable discounts if you are traveling on your honeymoon or for a special wedding anniversary.

### SECLUSION

Discover how the seclusion and setting of these islands create one of the world's most desirable honeymoon destinations. Intimate resorts, small peaceful villages and miles of quiet pristine beaches explain why Tahiti is ranked #1 in the world for "alone time." Boomerang Tours' expert staff will help you find the special place of your dreams.

### CLOSER THAN YOU THINK

Easier to travel to than you might imagine, Tahiti's Faa'a Airport is under 8 hours by air from Los Angeles.

### WEATHER

Cooled by the gentle breezes of the Pacific, the climate of these islands is sunny and pleasant. There are two seasons: from November through April climate is warmer and more humid, and from May through October the climate is cooler and drier. Most of the rain falls during the warmer season, but there are also many lovely sunny days during these months, with refreshing trade-winds.
