MS
Paul Gauguin
by Regent

THE PAUL GAUGUIN IS THE MOST LUXURIOUS CRUISE SHIP TO SAIL IN TAHITI ON A YEAR-ROUND BASIS.

The deluxe 330-guest Paul Gauguin is specially designed to cruise the islands of Tahiti and French Polynesia. Sailing on 7-night voyages from Papeete, Tahiti, the Paul Gauguin visits the islands of Tahiti, Raiatea, Taha'a, Bora Bora, Moorea.

Spacious staterooms (50% with balconies), a watersport marina, a choice of three single seating dining venues and an extensive spa are among her six-star attributes. By day a variety of shores excursions bring the rich Polynesian culture to life. In the evening, spirits are very much alive as guests enjoy Polynesian performances, dancing, cabaret singers, a casino and the warm camaraderie of fellow guests sharing the Paul Gauguin's highly personal, undiluted experience of French Polynesia. **If you've never been to Tahiti and her islands, this little luxury liner may be the best way to go.**

THE PAUL GAUGUIN CRUISE INCLUDES:

- All meals and beverages including select wines and spirits.
- Onboard program with Polynesian performances and guest lecturers.
- Complimentary waterskiing, kayaking, windsurfing and snorkeling.

A UNIQUE COMBINATION OF SAILING TRADITION AND PAMPERED RELAXATION!

Star Flyer is the first modern-day tall-ship to make its home year-round in French Polynesia, voyaging to the legendary Society Islands and the remote Tuomotus, the home of Polynesian cultural traditions.

Star Flyer is 360 feet long and carries just 170 guests in pampered comfort. Life aboard is blissfully relaxed, much like travelling on a private yacht. Enjoy the expansive teak decks with ample space to relax and play, two swimming pools, the indoor/outdoor bars, a library with fireplace, and especially the friendliness and enthusiasm of the officers and crew.

You'll never feel confined, as the ship offers pleasingly spacious air conditioned cabins that feature marble bathrooms, hair dryer, safe, telephone, TV and DVD player. In fact, you'll find that these ships offer more outdoor space per passenger than most conventional cruise ships.
