VICTORIA

Hugging the tip of the Australian east coast, Victoria is Australia's second-smallest state, covering 227,600 square kilometers - roughly the size of the British Isles. Packed into such a compact area is a wealth of diverse regional areas and attractions, from sweeping coastline and pristine beaches to national parks and forests teeming with wildlife to wineries, lakes and mountains offering skiing, climbing and hiking.

MELBOURNE

Victoria's capital, Melbourne, sits on the Yarra River and around the shores of Port Phillip Bay. Lauded for its sense of style and elegance, Melbourne boasts glamorous festivals and events, Australia's best shopping, a lively passion for eating and drinking, and a flourishing interest in the arts. Restored and preserved nineteenth-century architecture, built following the discovery of gold, provides a heady reminder of a prosperous age, while beautifully tended parks and gardens present a therapeutic respite from the pace of city life.
