## On the Opal Trail - Coober Pedy

### 2-Night Package

Coober Pedy has evolved in to one of the most unique places in Australia and perhaps the world. It is a cosmopolitan town with a population of 3,500 and over 45 different nationalities. The relaxed and friendly lifestyle of the town has made it a breeding ground for cultural tolerance, diversity and acceptance.

Coober Pedy is probably best known for its unique style of underground living. There is a range of underground accommodation as well as above ground if you prefer. There are authentic underground homes to explore as well as underground museums, potteries, opal shops, an art gallery and, of course, opal mines.

Your 3 day Coober Pedy Adventure offers you the opportunity to explore a piece of the South Australian Outback – stay in an underground hotel room, learn how they mine and process opals, see the amazing 5300km long dog fence built to keep the dingos out and see for yourself where some of the scenes from Mad Max Beyond the Thunderdome were shot – Moon Plains and much more!

#### INCLUSIONS

- Return flights between Adelaide and Coober Pedy
- Transfers between Coober Pedy Airport and your hotel
