

MALTA

Malta is home of 7000 years of history but yet live passionately in the present. The Islands' scenery and architecture provides a spectacular backdrop. The colours are striking, honey-coloured stone against the deepest of Mediterranean blues. The Maltese Islands have been described as one big open-air museum. What makes them unique is that so much of their past is visible today. Delve into the Islands' mysterious prehistory, retrace the footsteps of St Paul or see where the Knights of St John defended Christendom. Malta is holidaying as the mood takes you. And with near year-round sun, you can indulge in outdoor living at its best. If you're interested in sports, you will be happy to find as much for the seasoned enthusiast as the casual first-timer. Malta has wellness and spa facilities at the luxury hotels and club resorts. Sea and land lend themselves to activities from rock-climbing to gentle rambling. For a tempo and scene change from Malta itself, hop to the sister islands of Gozo and Comino. Here, you'll holiday within a holiday and at the most relaxed of Mediterranean paces.
