Day 2 Puerto Iguazu

Depart from the hotel to visit the Argentine side of the Iguazu Falls, located within the Iguazu National Park. With an extension of 67.000 hectares the park has been declared a Natural Patrimony of Humanity by UNESCO. The Falls are integrated by 275 waterfalls that fall from an average altitude of seventy meters. The starting point is the "Central Station", from which visitors can choose to take the train that goes to "Falls Station" or the one that goes to "Devil's Throat Station". From these points it is possible to carry out diverse excursions: The superior walk is a walk of 800 meters on footbridges, elevated over the surface of the terrain so as not to obstruct or/frighten the fauna. On this walk, visitors can observe the waterfalls from the upper part of the Dos Hermanas, Bosetti, Bernabé Méndez, M' Bigua Falls, among others. It lasts for an hour and the range of difficulty is low, there are no stairs. The inferior walk, is a 1,600 meters walk on footbridges elevated over the surface of the terrain, where visitors can see the two sisters, Alvar Nuñez, San Martín, and Bosetti falls and the Rock de la Bella Vista. Visitors can also have a panoramic view of the Devil's Throat and the Río Iguazú Inferior Canyon. This walk lasts for two hours and the range of difficulty is moderate, with stairs. (B)
