

KOMODO ADVENTURE

3 DAYS / 2 NIGHTS

Komodo Island is one of three larger and many islets that make up the Komodo National Park and is particularly well-known as the natural habitat of the Komodo dragon. The Komodo dragon is the largest living lizard, and takes its name after the island.

Pink Beach, or Pantai Merah, is one of seven pink beaches on the planet, and is just one of the many amazing features of Komodo Island that make it truly a Natural Wonder of Nature. Take a dip in the waters and uncover the marine beauty that Pink Beach has to offer!
