EDINBURGH, INVERNESS GLASGOW AND MORE

ITINERARY

DAY 1 EDINBURGH

Transfer from the airport to the hotel.

Accommodation: Edinburgh for 3 nights

DAY 2 EDINBURGH

Full day tour - Alnwick Castle, the Northumberland Coast & the Borders. Your tour begins by following the road that connected Caledonia with Roman Britannia. You stop in Kelso, where you can explore this town and what is thought to be Scotland's largest market square. You also see the ruins of Kelso Abbey, a reminder of the many ancient conflicts between Scotland and England. Continuing south, you cross the border and travel to Alnwick Castle, an immense fortification that has stood strong for nearly a millennium. It was originally built to assert Norman rule over newly conquered lands. But more recently Alnwick Castle and its perfectly manicured gardens have found fame as one of the settings for the fictional Hogwarts School in the Harry Potter movie series. Book lovers should take the opportunity to explore one of the largest and most impressive second-hand book shops in Britain. After around three hours at Alnwick, you travel north along the Northumberland Coast, one of the UK's most outstanding areas of natural beauty. You stop along the way to admire some of the area's best known beaches, castles, and ancient border towns. (B)

DAY 3 EDINBURGH

Discover the city of Edinburgh at your own pace and take advantage of your 24-hour Hop on Hop off ticket for a sightseeing tour. (B)

DAY 4 EDINBURGH – INVERNESS

Today you take the train from Edinburgh to Inverness. (B)

Accommodation: Inverness for 2 nights

DAY 5 INVERNESS

Full day tour - The Isle of Skye & Eilean Donan Castle. After an early start, you leave the city and travel along the Great Glen Fault Line towards Loch Ness. Here, you have a chance to spot the monster and admire lovely Castle Urquhart from afar. You take a short break in Invermoriston and continue through dramatic Highland scenery to the west coast and Eilean Donan Castle. You can go inside 'the most photographed castle in Scotland' or simply enjoy the astounding views. And now, it's the moment you've been waiting for because it's over the sea and onto the Isle of Skye. You travel up the island's east coast through the stunning Red Cuillin Mountains to Sligachan, where you stop for a photo of the clear mountain waters. Arriving in the town of Portree, you have free time to grab a bite to eat at one of the many delightful local restaurants. After you've filled your belly, you explore some of the most famous scenery of the island at the Trotternish Peninsula. The Old Man of Storr, Kilt Rock, and the Quiraing are all unforgettably beautiful. You venture to Kyleakin for refreshments and a chance to view the dramatic ruin Castle Moil or the Skye Bridge and Eilean Ban. Travelling over the bridge, you journey back to Inverness. The route you take back is different from the morning, so you get even more opportunities to enjoy the Highland scenery. (B)

Later, you can visit the Tower of London - Optional excursion (\$). Work commenced on this riverside fortress 900 years ago, and the structure we see today was completed in the 14th Century. The Tower was the refuge of Richard III during the Peasants' Revolt, the prison of Sir Thomas More, Sir Walter Raleigh and the future Queen Elizabeth I and the execution place of Lady Jane Grey (British sovereign for 9 days) and Anne Boleyn and Catherine Howard, Henry VIII's second and fourth queens. (B)

The Castle is the largest inhabited castle in the world and the oldest in continuous occupation. The imposing towers and battlements of the Castle loom large from every approach to the town, creating one of the world's most spectacular skylines. No other royal residence has played such an important role in the nation's history. Return to central London in the evening. (B)

FREQUENTLY ASKED QUESTIONS

Questions often asked by guests:

Do I need to make seat reservations?

It is not essential to reserve seats on all trains. Generally speaking it is only really necessary to make reservations if you plan to travel on a popular route (e.g. London to Edinburgh) at a peak time (e.g. Friday at 18.00). To make a reservation with a BritRail Pass you need to take your BritRail Pass to the station that you are going to travel from and the travel centre will make the seat reservations for you (for a small fee)

Can I use the BritRail Pass on the tube?

BritRail Passes are not valid on London Transport Underground trains or buses. To travel on the tube you will need either an Oyster Card or a London Travelcard.

Can I use my BritRail Pass on the Heathrow/Gatwick/Stansted Express?

Yes you can, but please be aware that this will be considered as a day of travel. The passes are not valid on the airport transfers by bus

Where can I find train timetables?

For information regarding train times, please click on www.nationalrail.co.uk. This is a really useful website for planning trips by train in the UK. All you need to do is type in where you want to go from and where to, with the date you intend to travel and it will bring up all the details you will need (times, changes if needed, facilities on board etc.).

Which trains are generally included in the BritRail passes?

All train services part of the National Rail network (Virgin Trains West Coast, Virgin trains East Coast, East Midlands Trains, Great Western Railway, Abellio Greater Anglia, Northern Rail, First Trans Pennine Express, Cross Country, Scotrail, Arriva Trains Wales, Chiltern Railways, London Midland, South West Trains, c2c, Abellio Greater Anglia, South West Trains, Great Northern, London Overground, Mersey Rail, Southeastern Trains, Southern, Thameslink)
